*Your purchases change lives and create opportunities  
for people who are blind or visually impaired.*

**[ifbsolutions.org](http://ifbsolutions.org) | 800-242-7726**

*IFB Solutions was founded in 1936 with just six employees who were blind. Today, it's the largest employer of people who are blind and serves hundreds of people who are blind and low vision in the communities in which it operates.*

## **OUR VISION**

---

To be America's leader in building life-changing opportunities for people who are blind.

## **OUR MISSION**

---

IFB Solutions provides opportunities for people who are blind or visually impaired in need of training, employment and services. We believe all people who are blind or visually impaired have the right to succeed in every area of life.

## Spring-Powered Desktop Staplers

Staple with ease – spring-powered mechanism allows for stapling with just one finger! SKILCRAFT® BOSTITCH® desktop staplers have a convenient “staple remaining” window and are made with 30% recycled material, including 13% post-consumer content and 17% post-industrial content.

SKILCRAFT BOSTITCH® InJoy Compact Stapler:

20-sheet capacity, lightweight, spring-power assisted desktop stapler has an ergonomic design and rubberized non-slip handle and base. Horizontal or vertical placement for a smaller footprint. Made with durable plastic. Stapler uses standard size 1/4" staples, 1/2 strip (105 staples) capacity.

NSN/Product Number	Description	MOQ
7520-01-566-8649	InJoy Compact Stapler, 20 Sheet Capacity	12

SKILCRAFT BOSTITCH® Inspire Premium Desktop Stapler:

Economy, metal-bodied, patented one-finger stapling design. Drop in loading, jam proof performance, 20-sheet capacity desktop stapler. Standard 1/4" staples included.

NSN/Product Number	Description	MOQ
7520-01-627-3358	Inspire Premium Desktop Stapler, 20 Sheet Capacity	12

SKILCRAFT BOSTITCH® InPower Desktop Stapler:

20-sheet capacity, lightweight, spring-power assisted desktop stapler has an ergonomic design and rubberized non-slip handle and base. Horizontal or vertical placement for a smaller footprint. Durable plastic body stapler uses standard size 1/4" staples, full strip (210 staples) capacity.

NSN/Product Number	Description	MOQ
7520-01-566-8648	InPower Desktop Stapler, 20 Sheet Capacity	12

SKILCRAFT BOSTITCH® InPower Premium Desktop Stapler:

28-sheet capacity, lightweight, spring-power assisted desktop stapler has an ergonomic design and rubberized non-slip handle and base. All-metal housing with rubberized handle and base. Stapler uses standard size 1/4" staples, full strip (210 staples) capacity.

NSN/Product Number	Description	MOQ
7520-01-566-8647	InPower Premium Desktop Stapler, 28 Sheet Capacity	12

SKILCRAFT BOSTITCH® 65 Sheet Capacity Heavy Duty Stapler:

65-sheet high capacity desktop stapler is smaller than most high-capacity staplers. Spring-power assisted stapler has an ergonomic design and rubberized non-slip handle and base. Bottom loads 3/8" high-capacity staples.

NSN/Product Number	Description	MOQ
7520-01-566-8656	65 Sheet Capacity Heavy Duty Stapler	6

SKILCRAFT BOSTITCH® 100 Sheet Capacity Heavy Duty Stapler

Heavy duty, 100-sheet capacity, spring-powered stapler requires 80% less effort. Durable die-cast metal body for heavy duty use. Stapler works with heavy duty 1/2" staples.

NSN/Product Number	Description	MOQ
7520-01-598-4238	100 Sheet Capacity Heavy Duty Stapler	12

## Standard Chisel-Point Staples

Each box contains 24 strips with 210 staples per strip for a total of 5040 staples. Individual staples are 1/2" wide x 1/4" long staples and have 25-sheet capacity with chisel-point for easy puncture. Fits all standard staplers. Zinc coating prevents rust.

NSN/Product Number	Description	MOQ
7510-00-272-9662	Standard Staples	24
