

This card was brailled with care by a person who is blind. The handprints are from our S.E.E. kids who say THANK YOU! To buy a set of cards, or to learn how Shelco LLC and IFB Solutions are making a difference, visit www.ifbsolutions.org/holidaycards.

For more than 40 years, Shelco has helped create jobs, programs, and services for people who are blind in our community by supporting IFB Solutions. IFB Solutions, which is a non-profit based in North Carolina, is America's leader in building life-changing opportunities for people who are blind. Shelco is happy to sponsor this holiday card fundraiser that raises money for IFB's S.E.E. program for kids who are blind across the country.

HAPPY
HOLIDAYS

*May your holiday
season be merry
and bright.*
