IFB Solutions

2026 OPEN ENROLLMENT

November 17th – November 26th

OPEN ENROLLMENT SUPPORT

During this year's open enrollment, IFB Solutions is providing your medical benefits through an ICHRA. With the introduction of Individual Coverage HRA, you can purchase your own individual plan and your employer can still contribute to the cost.

With the guidance of a licensed benefit counselor, you will have access to the right coverage for the right price that fits your needs. You'll be able to choose from a variety of medical carriers with various plan structures and premiums - all pre-tax. **Please note, you will need to re-enroll in the Flexible Spending Accounts if you wish to contribute for the 2026 Open Enrollment. All other benefits will roll forward automatically.**

You will need: your date of birth, social security number, list of prescriptions, and provider names.
